

Welcome

2013

**National Cervical Cancer Coalition
Conference**

Atlanta, GA

NCCCC

National Cervical Cancer Coalition
A program of the American Sexual Health Association

AMERICAN SEXUAL HEALTH ASSOCIATION

Sexual health is the ability to embrace and enjoy our sexuality throughout our lives. It is an important part of our physical and emotional health.

- **Being sexually healthy means:**
 - Understanding that sexuality is a natural part of life and involves more than sexual behavior.
 - Recognizing and respecting the sexual rights we all share.
 - Having access to sexual health information, education, and care.
 - Making an effort to prevent unintended pregnancies and STDs and seek care and treatment when needed.
 - Being able to experience sexual pleasure, satisfaction, and intimacy when desired.
 - Being able to communicate about sexual health with others including sexual partners and healthcare providers.
