

Toolkit for Advocates

Thank you for downloading the toolkit! We hope the you'll find resources found here useful in your advocacy efforts. Here's what you'll find:

Printable Materials

- A two-page fact sheet on cervical cancer prevention, outlining the steps for prevention at every age
- A one-page fact sheet on HPV vaccination
- A one-page fact sheet on cervical cancer screening
- Two postcards—one focused on screening and one focused on vaccination.

Any of these materials can be printed at home or with a professional printer. If you need a version of any of these materials with crop and bleed marks for professional printing, email us at nccc@ashasexualhealth.org.

Social Media Content

The social content included here is easy to share. There are two folders with images sized appropriately for different platforms (e.g. Instagram, Facebook, X). You'll also find a document with sample messages you can share alongside the provided images.

Cervical Health Awareness Month Resources

- A sample press release for Cervical Health Awareness Month in January. You can use this as a template for media outreach in your area.
- Sample language for a proclamation declaring January as Cervical Health Awareness Month for official requests.
- Cervical Health Awareness Month poster

Resources for Gift Baskets

There are three printable resources to include with gift baskets—or just to serve as a resource for cervical cancer patients and survivors.

- The booklet *HPV and Cancer: Information to Share with Family and Friends*
- A two-page fact sheet, *Talking to Your Family and Friends about Your Cancer*
- A two-page fact sheet on sexual health for cervical cancer patients
- Postcard with words of wisdom from cervical cancer patients and survivors
- Postcard with advice on how to offer support for cancer patients
